Open Project Space

Workspace Overview

This screenshot shows the TeamOrbit workspace with the AI Practical project open.

Navigate to **TeamOrbit → AI Practical**

- View the task list with columns: Assignee, Reporter, Priority, Status, Resolution
- Confirm tasks reported by *Pranay Rajesh B.*
- Note statuses: *To Do* and *In Progress*

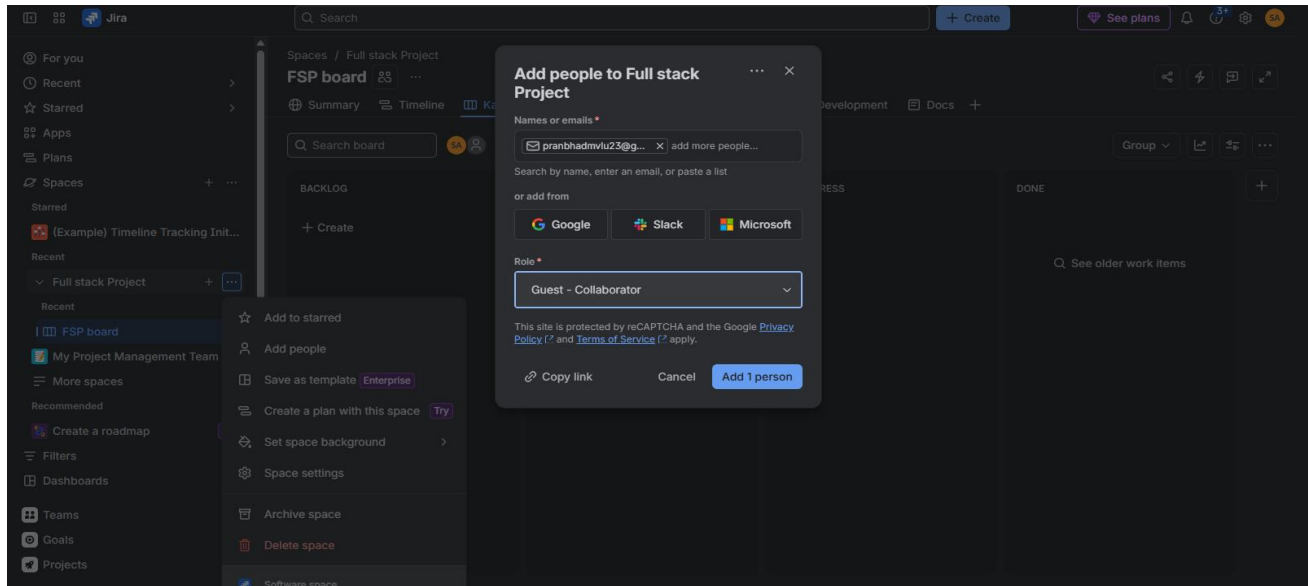

Add People Window

Role Assignment

This screenshot shows the pop-up for adding new members to the AI Practical project.

Click ... menu → **Add people**

- Enter email in *Names or emails* field (e.g., sohamacherkar07@...)
- Choose role from dropdown (Guest – Collaborator)
- Options available: Add from Google, Slack, Microsoft
- Confirm by clicking **Add 1 person**

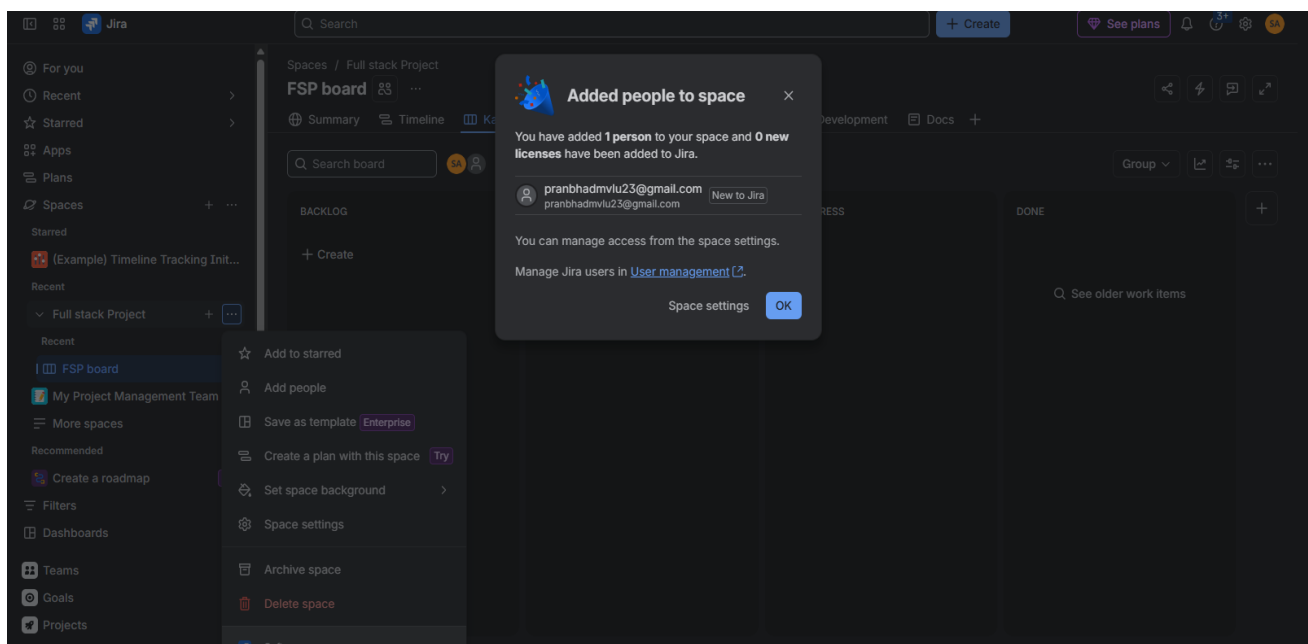

Confirmation of Added Member

Access Confirmation

This screenshot confirms that a new person has been added to the space.

System message: *Added people to space*

- Message: *You have added 1 person to your space and 0 new licenses have been added to Jira*
- Shows email: *sohamacharekar07@gmail.com* with tag *New to Jira*
- Manage access via **Space settings** or **User management**

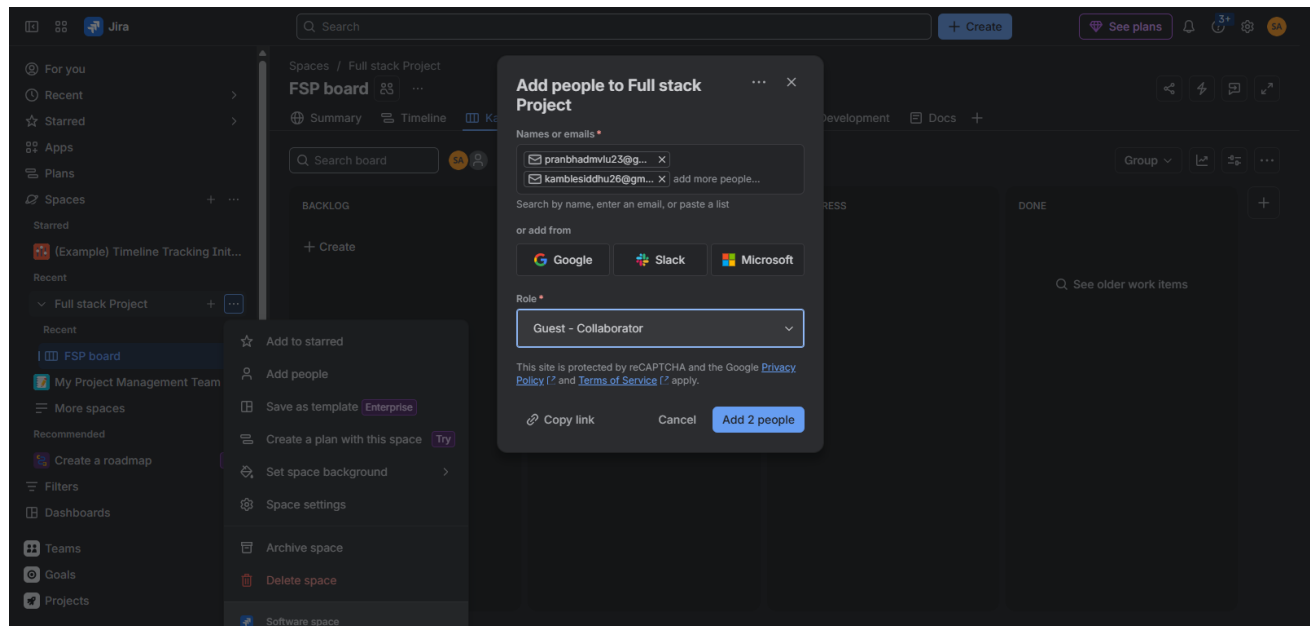

Add Group of People

Steps:

1. Open the *TeamOrbit* → *AI Practical* project space.
2. Click the three-dot (...) menu next to the space name and select **Add people**.
3. In the *Names or emails* field, enter multiple email addresses (e.g., kamblesiddhu26@gmail.com, suyashkaranlawleujmu@gmail.com, princevatt182009@gmail.com).
4. In the *Role* dropdown, select the appropriate role for the group (Administrator, Guest – Collaborator, etc.).
5. Click **Add 3 people** to confirm.

Output:

Group Addition Confirmation

Steps:

1. After entering multiple email addresses and selecting roles, click **Add 3 people**.
2. Jira displays a confirmation pop-up: "You have added 3 people to your space and 0 new licences have been added to Jira."
3. The pop-up lists the added members with their email addresses and indicates if they are **New to Jira**.
 - Example: kamblesiddhu26@gmail.com (New to Jira), princevinit18290@gmail.com, suyashkarneiluv@gmail.com (New to Jira).
4. Links for **User management** and **Space settings** are provided for further access control.
5. Click **OK** to close the confirmation window.

Output:
